KESHAV MEMORIAL INSTITUTE OF TECHNOLOGY

(Approved by AICTE & Govt of T.S and Affiliated to JNTUH)

3-5-1026, Narayanaguda, Hyderabad-29. Ph: 040-23261407

Vision of the Institution:

To be the fountain head of latest technologies, producing highly skilled, globally competent engineers.

Mission of the Institution:

- To provide a learning environment that helps students to enhance problem solving skills, be successful in their professional lives and to prepare students to be lifelong learners through multi model platforms and educating them about their professional, and ethical responsibilities.
- To establish Industry Institute Interaction to make students ready for the industry.
- To provide exposure to students to the latest tools and technologies in the area of hardware and software.
- To promote research based projects/activities in the emerging areas of technology convergence.
- To encourage and enable students to not merely seek jobs from the industry but also to create new enterprises
- To induce in the students a spirit of nationalism which will enable the student to develop and understand India's problems and to encourage them to come up with effective solutions for the same
- To support the faculty in their endeavors to accelerate their learning curve in order to continue to deliver excellent service to students

Department Of Electronics & Communication Engineering

Vision & Mission of Department

Vision of the Department:

Producing quality graduates trained in the latest software technologies and related tools and striving to make India a world leader in software products and services.

Mission of the Department:

- Mission of the Department: To create a faculty pool which has a deep understanding and passion for algorithmic thought process.
- To impart skills beyond university prescribed to transform students into a well-rounded IT professional.
- To inculcate an ability in students to pursue Information technology education throughout their lifetime by use of multimodal learning platform including e-learning, blended learning, remote testing and skilling.
- Exposure to different domains, paradigms and exposure to the financial and commercial underpinning of the modern business environment through the entrepreneur development cell.
- To encourage collaboration with various organizations of repute for research, consultancy and industrial interactions.
- To create socially conscious and emotionally mature individuals with awareness on India's challenges, opportunities, their role and responsibility as engineers towards achieving the goal of job and wealth creation.
